

# Treasured Memories

This is a memory jar!

It's a special place to keep all the happy, fun, and silly things that happen over the year. Here's how it works: when something makes you laugh, smile, or feel really good, write it down on a slip of paper and put it in the jar.

At the end of the year, we'll open it up together and read each memory! It'll be like going back in time to all the best moments we had.

Can't wait to read them with you!

With all my love,
